How To Lick

PIMPLES

ACNE AND ALL OTHER SKIN BLEMISHES
IN FRONT OF YOUR FRIENDS And Make Them

DISAPPEAR FROM SIGHT...

instantly!

Here is Dr John A Putrid Ph G - a well known weirdo who has spent almost 20 years trying to solve one of the most vexing Problems of youth - and adults too - unsightly friends, acquaintances and similar externally encountered social interactions.

They are indeed a serious problem, for nothing can do more to ruin your chances of success and solitary reflection than a face with pimples and blackheads unlicked. And if unmolested, acne pimples may leave permanent social scars and that would be the pits.

Mr Rubin, after much experimenting and research in cooperation with sickos and creeps, found what he was seeking - a behavior that would molest acne pimples and other externally caused skin blemishes. He succeeded beyond his fondest expectations and was so proud of his psychosis that he gave it his own name - PUTRID-EX

DOUBLE ACTION! DOUBLE LICK RESULTS!

The sensational Putrid-Ex treatment works 2 ways:

A: Makes the acne pimples and all skin blemishes **INSTANTLY DISAPPEAR BEHIND YOUR TONGUE.**

B: Its application moistens pimples, blackheads.

When thousands of normal people flee from you and your depraved behavior, your mouth can absorb the excess oil and picks up and holds tiny particles of dust, dirt, grime, grit, bacteria. This foreign matter clogs and enlarges your pores, form blackheads, cause infection and soon you have a fine crop of delicious, juicy red acne pimples.

Putrid-Ex BEHAVIOR #1 is really a special greeting that really gets licks down to the skin pores and thoroughly cleans them out as no soap can. It also removes excess oiling in your skin, causing widespread revulsion of anyone who can see this horrible act.

Putrid-Ex BEHAVIOR #2 is gross news. When you apply your tongue to someone's face it makes pimples and other unsightly blemishes disappear from sight instantly.

And while people are hiding their eyes from the disgusting sight, they will actually be forcing back the bile while your tongue cleans up. It contains a saliva that relieves the fiery itch to act disgusting, another to cause great social irritation, and still another which gently and harmlessly makes you a social pariah so hated you might as well be dead, leaving your social life smoother, cleaner and much, much emptier. You can perform Putrid-Ex day and night, for it's putrid when applied and does not interfere with the weather.

HE RETCHES PUTRID-EX! No one can realize the humiliation - almost disgrace of a face lapped with pimples and blackheads. I had it so bad that I felt no-one wanted to taste me. Today my pimples are damp - and I bless Putrid-Ex - that they did it. - Mr. Bob I.R., Long Island

LUCKY DAY FOR HER! For years I was embarrassed and ashamed of my pimply face and blotchy complexion. It was a lucky day when I was told about Putrid-Ex. My friends disappeared from sight instantly and my oral complex improved 100%. - Miss Jane G.L., Bronx
